B	83-86	D+	67-69	M	Medical**

\*Requires completion of make-up work

\*\*Excuses makeup requirement

Grade reports are issued four (4) times during the year at the conclusion of each term. Mid-quarter progress reports are issued in the middle of each term. All grade reports are available for viewing in the Aspen Family Portal.

Class rank and Grade Point Equivalence (GPA). Class rank—a measure based on a student's GPA—is a clear indicator of where a student stands academically in relation to his or her classmates. A student's GPA is based upon the number of courses, level of difficulty, and grades received during his or her academic career. Class rank is given strong consideration in college acceptances and in the awarding of scholarships.

Quality points are determined by multiplying the factor obtained from the following scale by the number of credits for that particular course. Quality Point Average is obtained by dividing the total number of quality points by the total number of credits. Quality Point Average will be used to determine class rank and as one of the criteria used to determine National Honor Society and National Vocational Honor Society eligibility.

The district has adopted a new GPA scale (see Table 1 below) that goes into effect at the start of the 2025-2026 school year (September 2025). The district's old GPA scale (see Table 2 below) will be used for all courses taken prior to September 2025. Table 3 outlines how the two GPA scales will apply to each class of students.
