Aspen Log In for Students and Staff

Aspen will be changing our sign in method on 9/6/24.

What does this mean for you?

The existing log in page will be updated and you will now be required to use a new button designated for (STUDENT & STAFF Log in). This button will redirect the log in to an Office365 (O365) Single Sign-on page where you will use your regular Shawsheen email address and normal computer password.

The (Family Log in/ Password) boxes are reserved for Parent/Guardian sign in only. Student and Staff should only be clicking the "STUDENT & STAFF Log in" button as shown below.

Click the "STUDENT & STAFF Log in" button. If you access Aspen through ClassLink, you will also be prompted with the O365 Sign in upon clicking the "STUDENT & STAFF Log in" button.
